

Purchase Order Terms and Agreements

REGARDING CONDITIONS OF A PURCHASE ORDER

Advance Turning & Mfg., Inc. (ATM), issues purchase orders in many different format styles including but not limited to fax, email, verbal, and hard copy mail. Unfortunately, terms and conditions are not issued when using some of these formats.

ACCEPTANCE: - By accepting a purchase order from Advance Turning and Manufacturing, the seller hereby agrees to and shall be bound by the terms and conditions printed hereon.

NOTICE: - If these conditions are not acceptable you must notify ATM on receipt of the order. Contracts awarded annually that become in default from the supplier will allow ATM the opportunity to withdraw the obligation from the supplier.

SHIPMENTS: - Do not ship prior to any specified date unless otherwise notified. Do not ship material in excess of that specified on the order without first obtaining permission from ATM.

ORDER NUMBER: - The order number must appear on Invoices, Bills of lading, correspondence, or packages of any kind.

CHARGES: - No additional charges allowed for boxing, packing or crating, except by prior agreement.

INSPECTION: - All goods are subject to inspection upon their arrival. Goods found to be not in accordance with specifications and returned will be replaced without issuance of a new order, unless otherwise agreed upon by the seller and ATM. If inspection at the supplier's facility is required prior to the release of the product, details of said arrangement will be stated on the purchase agreement.

CONFIDENTIALITY: - All documents, including prints must remain confidential

PAYMENT TERMS: - Unless otherwise specified, net 30 days from indicated amount on the P.O.

CERTIFICATIONS: - Unless otherwise notified, certifications are required for all shipments at no cost.

F.O.B. - All shipments and deliveries are F.O.B. Advance Turning & Mfg., Inc.

INDEMNIFICATION: - Seller agrees to indemnify and hold the purchaser harmless from any and all claims for loss or damage or other claims of liability whatsoever arising out of, or in connection with the material or workmanship applied to or used in the manufacture, assembly, packaging or delivery of said goods.
